Help Fill a Local Need: Volunteer Your Time

Submitted

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.

Keep Lake County Warm

You can drop off Clothes, shoes, blankets etc. at the Christmas Valley Library on Christmas Tree Road.

2019 New Year's Resolution

So many of us make New Year's resolutions to improve the quality of our lives only to find 2 or 3 months into the year we slip back into old habits. Your North Lake Health District is happy to offer you the resources you need to successfully win the battle with those self-destructive habits you'd like to shake.

When you step into the lobby of the La Pine Community Health Center you'll find an amazing variety of brochures to support healthier living. There are brochures on breaking free from abusive relationships, elder abuse and self-abuse. You'll also find support to help stop smoking, drinking or drug dependency. Other brochures offer information and referrals for men, women and children recovering from sexual violence. You'll also find information to help you if you are providing care for others and much more.

These brochures don't offer the magic cure, they are simply invitations for you to make positive changes in your life and they will only enhance your life when you make the choice to involve others. For a small community, Christmas Valley is blessed to have in our midst a wide variety of licensed professionals to help you, and if they can't, they can point you in the right direction. You can make an appointment with any of the medical professionals at the La Pine Community Health Center to help you make healthier choices in the new year. We also have private practitioners that provide support with mental health services or healthy, holistic living.

The bottom line is, most of us find we are more successful when we partner up! Having someone who is working with us, is invested in our welfare or to whom we hold ourselves accountable helps us stay on track. THIS year, when you make those resolutions, make sure one of them is to give yourself permission to ask for help in reaching your goals. You can do it, and we're here to help!

Story Time

Come join us at the Christmas Valley Library on the 2nd and 4th Thursday of every month (excluding holidays) from 10am -11am.

BUSINESS OF THE MONTH

The Trail Tavern is owned by Patch and Ava Parker. The Parkers, who moved to Christmas Valley from Bend in 1977, purchased the Trail Tavern from Paul, Elsie, Claude and Shirley Blackman. Patch and Ava lived in Bend for ten years where he worked for the City of Bend in the engineering Dept. Ava was employed by CBI Reporting and Collection Agency as a credit reporter and collector. She was with the firm for 16 years. Ava also worked as a fry cook and waitress at the D & D Club.

The Parkers have two sons. Cary is serving in the Air Force. He is stationed at Grand Forks, North Dakota where he is studying jet mechanics. Joe is attending high school in Madras where he is a member of the golf team and appears in the school dramatic productions.

Patch and Ava have been very active in Boy Scouts. One year between the two they held down 27 positions in Scouting.

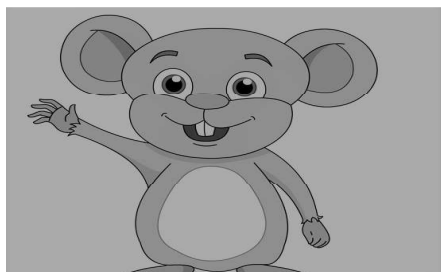

The Parkers moved to Christmas Valley because Bend was growing too fast and they liked the desert. They bought the Trail, Ava said, because it was the only thing available.

In August of 1979, Patch and Ava opened the Trail Restaurant next to the Tavern. They opened the Restaurant because there wasn't a full service in Christmas Valley at the time. Little did Ava realize at that time that she would soon be getting up and going to work at 4:00 AM.!!!

For good home cooked food and cold beer, drop in and see Patch and Ava at the Trail Tavern and Restaurant.

THE QUEEN BEE

There will be a special Christmas Sale and drawing during the month of December at the Queen Bee. The December 8, The Queen Bee will have a special one day sale on Christmas gift items including Jewelry, perfume, stuffed animals, slippers, craft kits, etc. On that day patrons may start signing up for the Christmas gift drawing. Military Mouse here and we are doing this by the numbers:

1) I hope everyone had a beautiful and joyous Christmas—I risked life and limb to hang out at the Community Hall with Reverend Birch and the dinner she, the Conaway Nation, Praise the Lord Fellowship, and so many others worked to put together. There were no mouse presents, BUT I did get some yummy food scraps!!

2) **PUT ON YOUR DANCING SHOES!!** The Friends of the Library are having a country kicker dance/social/bake sale on January 5th. The doors open at 5pm with soups, snacks, and assorted non-alcoholic drinks; the dancing begins at 6pm and goes until 9pm. 13 and younger must be accompanied by an adult, and anyone 14 and older requiring a ride home must be picked up by 9:15. The cost is \$3 per person or \$5 per couple.

3) **CALLING ALL ARTISANS AND CRAFTERS!!** February 15th and 16th is the Friends of the Library Annual Art Show...I am so excited because I love seeing all the art and talented people in our area!!! It is looking like we will have our first custom award ribbons, so get your projects going so you can show off your talent and we have lots to vote on—

Military Mouse signing off--

Christmas Valley Park and Recreation would like to thank all the attendants of our last meeting. We look forward to working with many of those who were interested in forming special committees for special interests and projects.

If you are interested in these committees or interested in learning more, please feel free to submit a letter of interest to Park and Recreation.

If you are interested in donating to these projects all donations and ideas should be submitted through the Park and Recreation District. Thank you for your time and commitment, and we look forward to working with you!!

This picturesque one-room school was built in 1890 by the Harris family, who were pioneers in the Summer Lake area. The school operated until 1919 when shifting population forced its closure. It reopened in 1926 for another three years, but beginning in 1929 students were bussed to the nearby Paisley for school.

High Desert Rangeland Fire Protection Association 2019 Training calendar

High Desert Rangeland Fire Protection Association is a membership based association seeking members and volunteers. HDRFPA responded to 28 fires in 2018. HDRFPA protects over 1.7 million acres of private and mixed public land. All of our funding comes from memberships provided by landowners. To become a member or volunteer visit our website at hdrfpa.org or our Facebook page. You do not need to be a member to volunteer, but we are emphasizing training. We would like each volunteer to at a minimum attend a 6 hour RT-130 refresher training to respond on our equipment. We would prefer each volunteer attend a Basic 2 day fire training. Please RSVP on our website for the basic fire training or contact us to add an additional Basic class if needed. We have 17 pieces of equipment that needs volunteers to respond on, and members to support. Oregon law can hold landowners responsible for fire suppression costs that cross property boundaries. Members of HDRFPA are exempt from billing.

North Lake School District #14 receives conditional \$3 million in construction grant

The State Legislature passed SB 447 in 2015. The law is entitled the Oregon School Capital Improvement Matching Program (OSCIM) and provides matching funds for construction upgrades to Oregon Schools. The program provides pools of money for priority schools and funds for schools selected through a lottery.

Priority schools are often aging schools and schools whose infrastructure is no longer in compliance with state and federal standards. The lottery schools are schools whose application is selected randomly.

After several attempts in the application process North Lake was selected in the lottery to receive \$3 million dollars for construction costs on classroom additions and upgrades. North Lake is also eligible for an additional \$1 million from the lottery pool if other variables are met.

These are matching funds. To receive the \$3 to \$4 million for upgrades to our school North Lake would have to successfully pass a bond of comparable size in May.

The North Lake Facilities Committee was formed in the 2015-16 school year consisting of community members representing all three of our communities (Fort Rock, Silver Lake and Christmas Valley) and have met multiple times to evaluate and assess the needs of our school. The Committee members (past and present) consist of: Mike House (Chair), Clayton Sharp, Cassie Pierson, Shelley Strong, Scott Duffner, Sonny Forman, Josiah Fritz, Darrell Krabill, Connie Ramage, Chad Waldron, Gail Buermann-Neumann, and David Kerr.

Through other grants the Committee has completed a Facilities Assessment, a Long Range Facilities Plan as well as a conceptual design that they will be presenting to the community in various forums and locations starting after the first of the year.

This is a great opportunity for our community and we look forward to sharing details of the project!

Sinus Support Naturally #3

Fighting infections either acute or chronic often underlie sinusitis, Triggering the inflammation, immune response, and inappropriate mucus production. Researchers tested over 200 chronic sinusitis, finding 96 percent, had fungal cultures present. They then gave 51 chronic sufferers an anti fungal medication with 75 percent improvement and 35 percent no longer afflicted by the condition. A multifaceted approach may be more effective. Bacterial cultures were found also, as many as 3 to 5 simultaneous colonies. With a healthy diet and life style, steams, nasal rinses with saltwater, or salted antimicrobial teas, it is recommended you add antimicrobial herbs to you routine.

Yerba mansa (*Anemopsis Californica*). Helps clear excess “Catarrh”, or mucus build up. It tones boggy mucosal lining while improving the flow and quality of secretions, and can be used internally as a tincture, or externally.

Berberine-rich Herbs

Organically cultivated golden seal, as well as Oregon grape root (*Mahonia* spp.) and barberry (*berberine* spp.), all contain “berberine,” an alkaloid that has potent antimicrobial activity on contact, such as rinsing with a neti pot.

Bee Balm is a favorite, but oregano and thyme have similar properties and can be used interchangeably. They help move and disinfect the fluid and air spaces within the respiratory tract. Bee Balm makes a lovely steam, and it combines well with horehound and goldenrod when infections are present.

Choose a couple of the herbs mentioned that seem best for you needs, or combine them and hit your remedies pretty hard. Take them 2 to 5 times a day. As the symptoms resdue, gradually taper back to maintenance routine.

I hope this helps some of you get rid of sinus problems. Be Healthy!!

Onto another subject. I have found, in the Sagewood parking lot near the trees by highway, a mans large ring! If you have lost one please call me to identify =. You describe the ring and see if it is yours.

LOOK WHAT'S COOKING

Celebrate JANUARY Nourishment

ADAPT, CREATE, INSPIRE BY CRYSTAL COULTER

Snack-it-Up in the New Year

ChickPea Snack Mix

Ingredient List:

2 low-sodium chickpeas (15 ounces) rinsed and drained
1 tablespoon coconut oil — melted
1 tablespoon pure maple syrup
1 teaspoon ground cinnamon
1 teaspoon kosher salt
½ cup raw pumpkin seeds
½ cup raw almonds
¼ cup pecan halves
½ cup dried cranberries
½ cup dark chocolate chips

Directions:

Place oven rack in the center of your oven and preheat to 350°. Line a baking sheet with parchment paper and set aside.

Drain chickpeas and lay on a double layer of paper towels, dry them very well, changing out the towels as needed. Remove any skins that come loose. Spread the chickpeas in a single layer on the prepared baking sheet.

Bake for 10 minutes. Remove the chickpeas from the oven and drizzle with the coconut oil and maple syrup. Sprinkle with the cinnamon, and salt. Toss to evenly coat **the pan will be hot—be careful!**, then return the chickpeas to the oven for an additional 10 minutes.

Remove the pan from the oven once more and give it a little shake to rotate the chickpeas. Add the seeds and almonds to the pan in a single layer. Continue baking until the nuts are toasty and the chickpeas are brown and crisp, about 8 to 10 additional minutes. Place the pan on a wire rack and let cool completely.

Once the chickpeas and nuts are cool, add them to a serving bowl. Stir in the dried cranberries and dark chocolate chips. Divide into desired portions and store for later or munch immediately!

Store for up to 1 week in an airtight container at room temperature.

Seasoned Pretzels

Ingredient List:

1 16 oz bag small pretzels
1 cup vegetable oil
1 tablespoon garlic salt
1 tablespoon dried dill weed
1 envelope (1 oz) ranch dressing mix

Directions:

Pour the pretzels into a gallon-size zip top bag. In a small bowl stir together the oil, garlic salt, dill, and ranch dressing mix. Pour the mixture over the pretzels and seal the top. Shake to cover the pretzels in the seasoning, turning the bag every few hours, at least 8 times to get everything coated. Allow the pretzels to marinate overnight.

Protein Powered No Bake Cookie

Ingredient List:

1 cup pure grade A maple syrup
½ cup unsweetened protein powder
½ cup unsweetened vanilla almond milk
½ cup coconut oil
¾ cup creamy almond butter
1 tablespoon vanilla extract
½ teaspoon sea salt
4 cups rolled oats

Chocolate Drizzle -

1 teaspoon coconut oil
1 cup semi sweet dairy free chocolate chips
½ teaspoon sea salt

Directions

In a saucepan, whisk together protein powder and maple syrup over medium low heat until combined. Add coconut oil and almond milk, whisking until fully incorporated. Add almond butter, salt, and vanilla extract, stirring until combined. Add oats, stir, and remove from heat.

Line baking sheets with wax paper and drop batter by spoonfuls onto the sheets. Lightly press tops with a fork to flatten then place the baking sheets in fridge until cookies are set, about 45 minutes.

Once cookies have hardened, make the chocolate drizzle.

Melt coconut oil over low heat, stirring in the chocolate chips and salt until the mixture is melted and drippy. Drizzle chocolate over tops of cookies using a spoon. Return to fridge until chocolate hardens - 10 minutes or less. Store in the freezer for a fudgy texture.
