Help Fill a Local Need: Volunteer Your Time

Find something in your
community that suits you. This
community primarily func-
tions through volunteers. We
have many new community
members and this community
can benefit from a little bit
of your time. The many new
community members tax the
already over stretched, long
standing volunteers that oil the
works of the under supported
needs of the north end com-
munities.

If you have questions of
how you can help feel free to
contact me, Glenna Wade, via

I can help you find an activity

Tri-county health surveys begin this week

Lakeview, Oregon– February 15, 2019 – This week, the High Desert Rural Opioid Partnership will begin its survey of Lake, Klamath, and Modoc county residents as part of a community health assessment process.

The High Desert Rural Opioid Partnership is working closely with the Hospital Council of Northwest Ohio and researchers at the University of Toledo to conduct the survey. Over the next two months, 3,600 Lake, Klamath, and Modoc county residents ages 25 to 75 will be randomly selected to participate in a survey. Residents of Lake, Klamath, and Modoc counties who are randomly selected are urged to complete and return the survey.

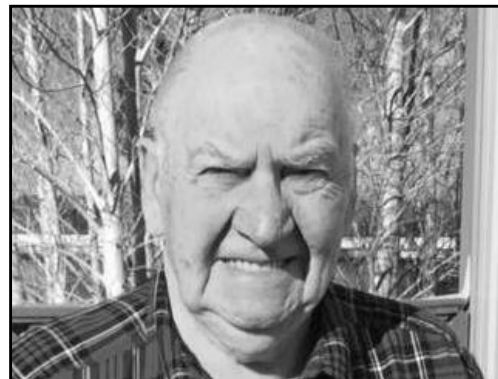

The anonymous survey asks participants to answer questions about perceptions and use of opiates. These answers will create a snapshot of the health of Lake, Klamath, and Modoc County adults. The results will guide many public and private agencies in their program planning over the next several years by identifying key health problems. The final community report will be available in the fall of 2019.

The High Desert Rural Opioid Partnership is composed of many public and private agencies that make up the public health system. The partners include Goose Lake Medical Services, Klamath Basin Behavioral Health, Klamath County Public Health, Lake County Public Health, Lake County Sheriff's Office, Lake Health Clinic, Lake District Recovery Center, Lake District Wellness Center-Prevention, Lakeview Disaster Unit, Modoc Medical Center, Outback Retirement Center, Sky Lakes Medical Center, Town of Lakeview, and Warner Mountain Medical Clinic.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$200,000 with 3 percent financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit HRSA.gov.

Anyone on Facebook is well aware of the escapades of Samuel Flynn Johnson (Sammy) since he came to live with dad and I at just 6 weeks. Oh the fun when he discovered paints! He had so much fun we thought to have him in the art show and then Shyla wanted in and it turned out to be a very popular class. So next year we will have a category for crazy and talented pets!!!

THANK YOU

To those who purchased flowers, candy and gifts for Valentine's Day. All proceeds from sales benefit the events for the children of North Lake County (Easter Egg Hunt, School supplies, Christmas Party, Tree of Joy and a Medical Fund).

BACK IN THYME

by Linda McCoslin

Highlighting Hair Rinses Part 2:

DARKENING HAIR RINSE: Rosemary and Thyme are traditional herbs for darkening color and keeping hair soft and silky. They also have natural antiseptic properties, which give an added bonus of improving your scalp's health and keeping it free of dandruff. After several uses, you will notice the results. As with all these rinses and any herbal use, you will notice the effects over time.

- 1 Tbls Fresh Rosemary Leaves
- 1 Tbls Fresh Thyme Leaves

Place the herbs leaves in a ceramic or glass bowl and pour boiling water over them. Steep the leaves until liquid cools. Strain and pour into clean container.

To Use: After shampooing and conditioning your hair, pour herbal rinse over hair. Leave rinse in hair at least 30 minutes. Follow with a final rinse of 2 cups cool water and 1 Tablespoon apple cider vinegar.

CALENDULA PETAL RINSE: In the 16th century, European women used yellow or orange calendula flower petals to produce dye for their hair. A publication at the time, THE NEW HERBAL (1551), stated: "Some women used to make their hair yellow with flowers of the calendula plant, not being content with the natural color which God hath given them". Today, calendula petals feature in skin toner, creams and bath products, and continue to provide a wonderful highlighting rinse for both brunettes and blondes to enjoy.

- 1/4 cup Fresh Calendula Petals or 2 Tbls dried
- 2 Cups Boiling Water

Place petals in a large bowl and pour boiling water over them. Let mix cool completely, strain.

To Use: After shampoo and conditioning, pour rinse through hair

SAGE TEA RINSE: Sage probably works best of all herbs for darkening and toning hair. It also has strong anti bacterial properties for a clean and healthy scalp, and some people look to the herb to stimulate hair growth.

- 1/4 Cup Fresh Sage Leaves
- 2 cups Cold Water
- 2 Tsp Vodka or Witch Hazel

Gently tear sage leaves into small pieces and place them in a medium sized sauce pan. Add the COLD water to the pot and bring to a boil, then remove from heat. Let the fresh leaves steep for several hours. Strain off liquid and stir in Vodka or Witch Hazel to liquid. Pour into clean bottle or jar.

To Use: After shampoo, pour this rinse through hair and leave it in. **DO NOT RINSE OUT.** Dry and style hair as usual.

TWO COMEDIES TO BE PERFORMED ON THE NORTH LAKE STAGE

First, on the evening of Wednesday, March 20th at 7:00 pm, the North Lake High School drama class will present "Alibis." This play is a comedy written by Peter Kennedy. Under the direction of Roxanne Hand, "Alibis" is a classic who-done-it interlaced with healthy doses of hijinks and hilarity. The drama class has been rehearsing this play since January, and it's sure to be another crowd-pleasing show. For more information contact North Lake School at 541-576-2121. Admission will be by donation. Next, on April 5th, 6th, and 7th the local Stage Rat Players will be performing "Wash Your Troubles Away," a musical comedy written by Tim Kelly. The production, which takes place during the gold-rush days in old California, also directed by Roxanne Hand, has music by Arne Christiansen and lyrics by Ole Kittleson. This time around the cast is a mix of seasoned Stage Rats and a number of newcomers, including community members, school staff, and several student actors. Tickets for the Stage Rat performances are also by donation. Contact Darrel Krabill at 541-576-2312 or Roxanne Hand at 541-576-2789 for more information.

Both plays will be on stage in the North Lake School gym. Watch for more details in local media as the show dates approach.

FILE-HSdrama: Cast members for the high school comedy "Alibis" include Kendrick Stone, Caraline Rutter, Shelby Bruhn, Leon Price, Pyper-Rae Edwards, and Harley Gibbons.

FILE-STAGERats: Darrel Krabill, Leanne Miles, and Michelle Burchett rehearse a lively scene for the up-coming Stage Rat Players "Wash Your Troubles Away."

The books are again closed on another annual Winter Dolls Art Show—it was so fun this year—the Adult Art and Child categories were strongly competitive and we had some ties...and the winners, are listed on page 18 of this paper:

Michael Lambert's—door hinges and wood from the rodeo ground were the popular items of use!!

Sadly, I have to report there were no Rodent entries but in an interesting series of events—Sammy discovered Miss Barbara's paints and the idea came about for Sammy to enter the art show; then Shilah wanted in and such with such fun they both got participation ribbons!! I believe this is to become an official category next year and depending on how it goes it may become permanent!!

Space is limited so next issue we will include judges awards and participation ribbons!!
