Help Fill a Local Need: Volunteer Your Time

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.

Something to Think About

Learn to enjoy every minute of your life. Be happy now. Don't wait for something outside of yourself to make you happy in the future. Think how really precious is the time you have to spend, whether it's at work or with your family. Every minute should be enjoyed and savored.

TWO COMEDIES TO BE PERFORMED ON THE NORTH LAKE STAGE

First, on the evening of Wednesday, March 20th at 7:00 pm, the North Lake High School drama class will present "Alibis." This play is a comedy written by Peter Kennedy. Under the direction of Roxanne Hand, "Alibis" is a classic who-done-it interlaced with healthy doses of hijinks and hilarity. The drama class has been rehearsing this play since January, and it's sure to be another crowd-pleasing show. For more information contact North Lake School at 541-576-2121. Admission will be by donation. Next, on April 5th, 6th, and 7th the local Stage Rat Players will be performing "Wash Your Troubles Away," a musical comedy written by Tim Kelly. The production, which takes place during the gold-rush days in old California, also directed by Roxanne Hand, has music by Arne Christiansen and lyrics by Ole Kittleson. This time around the cast is a mix of seasoned Stage Rats and a number of newcomers, including community members, school staff, and several student actors. Tickets for the Stage Rat performances are also by donation. Contact Darrel Krabill at 541-576-2312 or Roxanne Hand at 541-576-2789 for more information.

Both plays will be on stage in the North Lake School gym. Watch for more details in local media as the show dates approach.

Highlighting Hair Rinses Part 3:

BLACKBERRY LEAF RINSE: This rinse will gently enhance your hair color, deepening the color of dark hair and highlighting lighter shades. The green prickly leaves make a cleansing rinse that also helps treat dandruff. If you can't find fresh blackberry leaves, look for dried leaves in bulk at a natural food store or use an herbal tea made from blackberry leaves.

- 1/2 cup clean fresh blackberry leaves or 1/4 cup dried leaves
- 2 cups water
- Fresh blackberries (optional)

Place leaves in a small sauce pan and cover with water. For a darker color, add a few fresh berries to the water. Bring mix to a boil over medium heat, lower heat and simmer for 15 minutes. Remove from stove and let cool completely. Strain liquid and pour into clean container.

TO USE: After shampooing, pour rinse through hair and LEAVE IN. No not rinse out, dry and style hair.

Nature provides the best colors and here are a few all natural ingredients you can use to add color and highlights to your hair. Simply pour very hot water over a tablespoon of the hers and let them steep until cool, strain and use after shampooing.

RED HIBISCUS: The dried petals create a strong, red tea to create a subtle red color.

UBE: Japanese root veg. also known as purple yam. Provides a vivid violet or purple color. You can purchase the powder online or at a natural food store.

HENNA: You can make as dark red as you want by the amount of henna you use.

Have Fun!!
