Next Desert Whispers DEADLINE
7 DAYS PRIOR
at 2:00 p.m.

DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park & Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park & Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park & Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

**Help Fill a Local Need:
Volunteer Your Time**

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.

Media Release

Lake County Sheriff's Office K-9 Spyke

In the latter part of November, the Lake County Sheriff's Office purchased a K-9 to assist in the apprehension of suspects involved in felony and various misdemeanor crimes. Spyke is a four (4) year old German Shepherd who will be in training with his handler, Deputy Rachel Bonine, for the next six (6) weeks.

Deputy Bonine and Spyke will be involved in an aggressive training regiment specifically detailed to tracking suspects who flee crime scenes and apprehending those who are resistive and violent. The duo will also be applied in various schools to ensure drugs are not present in the facilities where our children are being educated, ensuring a safe and drug free environment. At the conclusion of the training Deputy Bonine and Spyke will be hitting the streets on February 20, 2020.

Deputy Bonine and Spyke will be assigned to North Lake County, however, will also be utilized as needed throughout Lake County.

Please feel free to come meet Deputy Bonine and Spyke by making an appointment with Deputy Bonine.

Policy: Animals on Park and Rec Properties

Christmas Valley Park and Rec

Christmas Valley Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on Christmas Valley Park and Recreation property (including the Rodeo rounds, Golf Course, Play Area, etc.) all domestic animals, whether pets, livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler.

Horses are not allowed on the Golf Course at any time- EVER!

Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property. Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

And PLEASE, keep off the Golf Course while the ground is frozen... Especially the greens.

December 16, 2019

At the November 12, 2019 School Board meeting I notified the Board of my decision to retire effective June 30, 2020. After 43 years as a licensed teacher and administrator, it just feels like time.

It has been a pleasure to serve this District for the last seven plus years. I am proud of what we have accomplished together during this time. I am proud of our staff who does so much for a deserving student body.

This is a different district than the one I encountered in April, 2013. Among our many accomplishments have been:

- Immediately addressing declining financial status
- Certified staff evaluations procedures and handbook
- School safety and security measures
- P-3 Grant and the establishment of our Pre-School
- Professional Learning Communities and Teams (PLC's and PLT's).
- Restructuring the school calendar to allow for these (late start Monday's)
- Re-structuring our Deputy Clerk and Business Management position by contracting with the Lake County ESD (typical for small districts statewide)
- Replacement of gym bleachers
- Restructuring First Student contracts and insurance clarification
- Bus replacement cycle
- Continued CTE emphasis
- Track installation and football facility renovation
- Creating an Alternative Education program
- May 2019 Bond election and pending construction

It has been my honor to serve and to be a part of the North Lake School District. I feel truly blessed to have been a part of the North Lake family.

Respectfully,

David Kerr

Affordable Access To Technology For Seniors Cheap Internet or Computers for Senior and Disabled Per- sons in Need

Fortunately, there are some companies offering internet and computers at a reduced price for those who cannot otherwise afford them. Of course, many seniors might not need an actual computer, as their phone might be able to handle most everything they would want to do on the internet. Most cell phone plans now have the potential to access the internet. For those who don't currently have internet service or who need a computer, here are some affordable options.

Internet Service

AT&T's cheap internet program called "Access from AT&T" offers high-speed broadband internet service for just \$5 a month. To qualify for this program, at least one person in the home must receive food stamps (SNAP), live within AT&T's 21-state service area, and not have outstanding debt for AT&T's fixed internet service within the last six months. To enroll in Access from AT&T, call 1-855-220-5211 or go online at <http://accessatt.solixcs.com/#/> home.

Spectrum's "Internet Assist" is an unlimited internet plan for \$14.99 per month that is available in 38 states. This program is aimed at two important groups: seniors 65 and older on SSI and families with students in the National School Lunch Program. To enroll in Spectrum Internet Assist, call 844-525-1574 or go online at charter.com/browse/content/spectrum-internet-assist. Comcast offers a low-cost internet program called "Internet Essentials" for \$9.95 a month. To qualify, the applicant must fulfill these requirements:

have at least one child in the household that receives reduced or free lunch under the National School Lunch Program
not have been a Comcast internet subscriber in the last 90 days
not have a Comcast bill over 12 months past due
not have any unreturned equipment.

CenturyLink's "Internet Basics" is an affordable internet program at \$9.95 a month for the first year and \$14.95 a month thereafter. Applicants most likely qualify for the Internet Basics program if a) they participate in other governmental assistance programs such as food stamps (SNAP), public housing assistance, Medicaid, Section 8 housing, Supplemental Security Income, various Home Energy Assistance Programs, and National School Lunch; or b) their household income is at or below 135% to 150% of the Federal Poverty Guidelines.

BACK IN THYME

by Linda McCoslin

As we are coming to the close of yet another year, It makes me wonder where time went! It seems as tho the older we get, the faster time flies and I wonder why! Do we just not pay any attention when we are younger? I remember being told as a youngster to enjoy it while you are young because it won't last, now I see what they meant as I find myself wondering where the last few years went and convincing myself to go out and enjoy more of nature and life's experiences while I still can because all the crazy things I did in my youth have returned to tell me I should have been more careful with my physical being than I was. An 89 year old lady told me once - The hardest thing about growing old is your body says you have to slow down while your mind says - but I still feel mentally like I'm 18!! I now understand what she meant.

I hope everyone had a great Thanksgiving and now we have to look forward to Christmas with all it's festivities, family gatherings and the excitement of the young ones.

With God's blessing we should all have a great time. We are having bingo on New Years Eve, with a pot luck which is usually quite fun.

The Light Parade had some really pretty floats this year with a very good turn out. Some of the younger crowd even braved the cold to stand out along the road and cheer them on. I loved the tire Santa from Point S Tires. He was quite amazing, so was the very tall Christmas Tree, all the exhibits were quite well done.

I hope everyone has a Happy New Year and don't make to many resolutions that we can't keep! That seems to happen almost every year. It's hard to believe it's already 2020.

Hopefully it will be a Prosperous, Productive, Healthy and Happy New Year.

God be with you all!!

Linda

Computers

Continued. from Page 14

Those who qualify for AT&T's "Access for AT&T," Comcast's "Internet Essentials," and CenturyLink's "Internet Basics" can purchase a personal computer for \$150. Additionally, CenturyLink's "Internet Basics" program offers free introductory computer education classes to qualified recipients.

If the previously mentioned plans are not applicable to your situation, there are still options available to obtain a computer at little to no cost.

Community Centers: Senior community centers provide many support services for seniors. It is a good starting place to see if there are any local resources that offer free computers. Find your local senior center through your State Unit on Aging (SUA) or Area Agency on Aging (AAA).

Local Government or Nonprofit Sources: Search online or in your phone book for other government or nonprofit agencies and charitable groups in your town that may offer free computers for seniors. Ask at your library, city hall or civic groups (such as Rotary) for help in locating local, county, and state agencies that may be involved in computer recycling and donation programs. For example, Goodwill has partnered with Dell Computers to recycle donated computers. Call your local Goodwill store or visit in person to find out how to access a refurbished computer.

Local Computer Repair Shops: Computer repair shops in your neighborhood may have refurbished computers of any brand they are willing to donate to you for free or at minimal cost. Check your phone book or online and call a repair shop near you or go to the business and ask for help.
