## Fathers Are Wonderful People

Fathers are wonderful people  
too little understood,  
And we do not sing their praises  
as often as we should...  
For, somehow, Father seems to be  
the man who pays the bills,  
While Mother binds up little hurts  
and nurses all our ills...  
And Father struggles daily  
to live up to "his image"  
As protector and provider  
and "hero of the scrimmage"...  
And perhaps that is the reason  
we sometimes get the notion  
That Fathers are not subject  
to the thing we call emotion,  
But if you look inside Dad's heart,  
where no one else can see,  
You'll find he's sentimental  
and as "soft" as he can be...  
But he's too busy every day  
in the grueling race of life,  
He leaves the sentimental stuff  
to his partner and his wife...  
But fathers are just wonderful  
in a million different ways,  
And they merit loving compliments  
and accolades of praise,  
For the only reason Dad aspires  
to fortune and success  
Is to make the family proud of him  
and to bring them happiness...  
And like Our Heavenly Father,  
he's a guardian and a guide,  
Someone that we can count on  
to be always on our side.

## KCC HOSTS SUCCESSFUL CAREER FAIR & OPEN HOUSE

KLAMATH FALLS — A career fair and open house at Klamath Community College Friday, May 20, for students and the community welcomed a large crowd once more to the campus to explore the college's programs, services, and facilities, fresh on the heels of the KCC Comic Con with several thousand people participating just a week earlier.

More than 50 employers and recruiters actively seeking to hire across numerous industries were present throughout the day interacting with community members, as well as hundreds of high school students who traveled to the KCC campus for a day of program demonstrations and activities.

Visitors from as far away as John Day made the trek to KCC to interact with the more than 100 employer representatives hoping to fill open positions immediately.

KCC Career Services staff oversaw the event, providing additional services and information available for KCC students.

School groups roamed KCC's campus for program demonstrations and interactive hands-on activities provided by faculty and staff involving construction,

auto/diesel, robotics, nursing, education, science labs, a full-motion flight simulator, and virtual reality, among others.

Additionally, KCC student support programs and clubs provided details about an array of services available for enrolled students.

Visitors also interacted with local emergency services personnel, and explored several special purpose law enforcement vehicles, fire trucks, and two helicopters flown in for the occasion. Multiple food trucks were also present, with free lunch provided for students.

Based on the success of day, organizers hope to make the career fair and open house an annual event, connecting the community and students with employment opportunities, and KCC education and career development options.

## KCC RECEIVES SBDC AWARD FOR EXCELLENCE & INNOVATION

KLAMATH FALLS — The Klamath Community College Small Business Development Center was recently honored with the U.S. Small Business Administration Pacific Northwest SBDC Excellence and Innovation Award for 2022 during an awards presentation ceremony at KCC honoring the organization.

KCC SBDC Director Kat Rutledge was on hand to formally accept the award from Small Business Association (SBA) Portland District Director Martin Golden. The award is bestowed annually in recognition of SBDC service centers that excel in providing tremendous value to small businesses and advancing program delivery and management through innovation.

"I am humbled at being nominated, let alone selected for this award," said Rutledge after accepting the award. "The last couple of years have been incredibly challenging for our small businesses and it has been an honor to be in position to help them, albeit in a small way. As I've said before, it was a privilege, and let's never do it again!"

The KCC SBDC was honored in part for its role in supporting and sustaining small businesses in the region during the COVID-19 pandemic, assisting with Payroll Protection Loans, Economic Disaster Loans, and addi-

tional funding opportunities.

"I am so excited to announce this year's winners of our Pacific Northwest regional awards for National Small Business Week," said SBA Regional Administrator Mike Fong. "Valued resource partners like the Klamath Community College SBDC worked tirelessly to help businesses navigate through the pandemic to be more resilient and position themselves to thrive into the future. I want to thank all our small business owners and resource partners across the region for what they do each and every day for our communities."

The KCC SBDC serves the small business community in Klamath and Lake counties, offering a number of services and guided assistance to help business owners, entrepreneurs and

start-up businesses achieve success through training, counseling, and development assistance. Each year, approximately 55% of the clients we serve are existing businesses, and 45% are pre-venture.

*Speakers at the ceremony included KCC President Dr. Roberto Gutierrez, Oregon SBDC Network State Director Mark Gregory, KCC Vice President of External Programs Chip Massie, Golden, and Rutledge.*
