Next Desert Whispers DEADLINE
7 DAYS PRIOR
at 2:00 p.m.

DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park & Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park & Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park & Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

Lake County Senior Center Transportation is operating under Oregon Phase 1 Reopening rules, to keep Lake County protected from the coronavirus and from re-closure. Drivers are disinfecting vehicles between every trip, and keeping the recommended 6 foot distance between drivers and each family of riders. As Oregon is mandating that all Public Transit drivers wear face coverings on the job, we are also asking that all riders wear face coverings in our vehicles, for the safety of our drivers and other riders. If you do not have a face covering, one will be provided for you by the driver. If you have any questions about scheduling rides, or about policies, please call Anne at Transportation 541-947-4966 ext. 106.

Per OHA and ODOT
requirements passengers for
all trips are required to wear
masks or cloth face coverings?
A bandana will do

If you have OHP, please call GOBHI Ride Share at 877-875-4657 for non-emergency medical transport.

PUBLIC NOTICE

Monday May 11, the Lake County Fair Board held an 'Emergency/Special' meeting, along with representatives from the Round-Up Association; Market Sale Committee; 4-H and FFA to discuss 'where do we go from here with regards to the Covid-19 and the Governor's re-opening plan?' It was unanimously agreed by all parties, that we are moving forward with plans for the 2020 Fair & Round-Up. While it was announced in the Governor's re-opening plan that fairs would not be allowed through at least September; remember that this is a 'fluid' plan and changes to the plan, have occurred and will likely continue throughout this unprecedented process. We will continue to monitor and be in contact with local health officials and our County Commissioners to work towards a plan that allows us to hold the 2020 Lake County Fair & Round-Up. Behind the scenes, the Fair Board, Round-Up Association, Market Sales Committee, 4-H, FFA and the Destruction Derby are all working on creating a "Plan B" scenario in hopes that the 'show will go on.' Fair may be different, and sometimes 'change' has a way of bringing something good to the table. Our county and communities are strong and we will find a way through this together. This group will meet again during mid-summer to re-evaluate the plan. While we will adhere to the Governor's guidelines, for now it's full steam ahead for the 2020 Lake County Fair & Round-Up!!

Burning Request

Please call in any burn bigger than a burn barrel. You can call the CVRFPD to check for burn restrictions 541-480-3979.

For anything bigger than a burn barrel please call dispatch at 541-947-2504, for a burn permit. This notifies the fire department and dispatch of where fires are and that they do not need to come put it out.

It is going to be an early and busy fire season and it is beneficial not to have to chase down these controlled burns.

**No burning before dawn,
all fires out before dark**

Burning restrictions will soon be in place, so please remember to always call in.

OBITUARY

Gary Lee Smith
1942-2020

Gary Lee Smith of Christmas Valley passed away May 13th at the age of 77 from complications of dementia. Gary was born in 1942 to Wayne & Edith Smith. Gary grew up in Veneta/Elmira and attended Elmira High School. In 1964 he married Karen Brown and they had 2 sons, Dale and Rick. He owned and operated a cedar shake mill in Veneta for many years with his sons. Upon shutting down his mill, he decided to try his hand at repairing and selling boats and boat motors. He later moved to Christmas Valley and became known as the boat man. Gary loved working on boats, fishing, camping and hunting with his family. Gary was preceded in death by his wife, Karen, of 41 years, his son Dale, brothers Ronald, Clifford and Lester. He is survived by his sister Gloria of South Carolina, Rick(son) and Michele of Elmira, granddaughters, Ashlee(Smith) and Cody Garner of Elmira, Taylor(Smith) and Hernan Torres of Elmira, Cheyanne Smith of Christmas Valley and many nieces and nephews. A memorial service will be held at a later date in Christmas Valley. Memorial contributions may be made to Dementia Society of America.

With so much talk right now about our vulnerable populations, here's a little encouraging news:

74% of Lake County residents say they understand that addiction is not a failure of willpower, it's a disease.

We're being reminded right now how the health of one affects us all.

In a community that cares, like ours, that's *golden*.

If you're struggling with long term pain, we have tools that can help.

Home Grown Vendor's Welcome

PUBLIC NOTICE

RE: Application pending before the Lake County Planning Commission
NOTICE TO MORTGAGEE, LIENHOLDER, VENDOR OR SELLER: OREGON REVISED STATUTE 215 REQUIRES THAT IF YOU RECEIVE THIS NOTICE, IT MUST PROMPTLY BE FORWARDED TO THE PURCHASER.

Sir/Madam,

As an adjacent property owner, the attached notice of public hearing provides information regarding an application before the Lake County Planning Commission, its purpose and location, in which you may be interested.

Due to COVID-19 the Courthouse was closed off to the Public, but social distancing is still recommended; therefore, a copy of the application and applicable criteria is not available for review at the County Planning Office, Lake County Courthouse, 513 Center Street, Lakeview, Oregon 97630; however, copy of the application and applicable criteria is available upon request by email at djohnson@co.lake.or.us or by copying with mailing costs of approximately \$5.00.

Public hearing procedure offers an opportunity for testimony in favor, neutrality or in opposition to the proposal. The Lake County Planning Commission reserves the right to establish a reasonable testimony time to include cross-examination and rebuttal. Oral testimony will be received at the time of the hearing by phone call-in only and written testimony received prior to or at the hearing will be considered. In either case, your testimony must address criteria applicable to the application as described in this notice and other criteria in the County's Comprehensive Plan, Zoning Ordinance or Land Development Ordinance, which you believe apply to the decision.

Failure to raise an issue at the hearing or to provide sufficient specificity precludes your ability to appeal the decision to the Board of Commissioners. Should you have further questions or concerns on this matter, please call me at 541-947-6036 or email djohnson@co.lake.or.us.

Sincerely,

Darwin Johnson Jr.

Planning Director

Most Lake County teens recognize that taking a prescription drug not meant for them is wrong.

But almost half think having 1 or 2 alcohol drinks a day is not.

WHERE ARE THEY GETTING THIS MESSAGE?

Model adult choices responsibly and speak up for zero tolerance for underage drinking.

Because if we don't say it, they won't get it.

Obsidian Solar Center

Rescheduled Public Hearing on the Draft Proposed Order and Request for Comments

Summary:

Notice Date: June 1, 2020

Draft Proposed Order Issuance Date: March 12, 2020

Date of Public Hearing: June 23, 2020, 5:30 p.m.

Proposal: Application for Site Certificate (ASC) from Obsidian Solar Center LLC (owned by Obsidian Renewables, LLC and Lindgren Development, Inc; applicant) for a proposed approximately 400 megawatt alternating current (MWac) photovoltaic solar energy facility on approximately 3,921 acres of nonarable land (includes a "reasons exception" request to the statewide policy embodied in Goal 3, *Agricultural Lands*).

Proposed Facility Location: North Lake County, approximately eight miles northwest of Christmas Valley and seven miles southeast of Fort Rock.

Draft Proposed Order Review: The draft proposed order (DPO) was issued on March 12, 2020, which opened a public comment period. Written comments may be submitted per the instructions in this notice. An opportunity to submit oral and written comments at a hearing on the DPO will be presided over by a third-party hearing officer from the Oregon Office of Administrative Hearings (OAH), appointed by the Energy Facility Siting Council (EFSC). Under ORS 469.370(2), the hearing will be held in the affected area of the proposed facility as well as held remotely in accordance with Governor Kate Brown's Executive Order 20-16, via teleconference/webinar detailed below. The Oregon Department of Energy (ODOE) will provide equipment for individuals to give oral testimony via the webinar described below to EFSC members and the hearing officer.

The Oregon Department of Energy will hold the in-person portion of the public hearing according to policies and guidelines for social distancing, safety of the public and staff in place at the time of the hearing. ODOE will update the project webpage in advance of the hearing with these details:

Comment Deadline: June 23, 2020, at the close of the hearing listed above.

Description of Proposed Facility: The proposed facility, including related or supporting facilities, includes approximately 400 MWac of photovoltaic solar energy generation equipment to be located on approximately 3,921 acres of nonarable land.

Equipment includes solar modules, tracking systems, posts, cabling, inverter/transformer units (approx. 160); 34.5 kilovolt (kV) collection system; up to 4 collector substations (1 acre/each); up to two operations and maintenance buildings; perimeter/internal roads (approx. 50 miles) and perimeter fencing (approx. 18 miles); 50 MW of battery (flow) storage equipment; 115 kV transmission line (approx. 2 miles); and, a 115/500 kV step-up substation and point of interconnection.

Location of Proposed Facility: The proposed facility would be located within a site boundary of approximately 3,921 acres. The proposed site

Dear Community Members,

It has come to our attention that a false statement was printed in the Lake County Examiner regarding a joint meeting that was held to discuss the 2020 fair. The article claimed that "It is felt that if animals come down from the North Lake area to the auction it could depress prices even further. While animals do not come every year from North Lake, it is a matter of how many children can sell their animal before the auction." This was never discussed at the meeting. There was a message conveyed from a member of the Sale Committee from North Lake that some members are looking for private buyers and this year with the uncertainty of the situation it may not be cost-effective for some individuals to travel and stay in Lakeview for a fair. It was also acknowledged by Sale Committee members that more businesses may be severely impacted by Covid-19 and unable to support the members to the extent that we have seen our community do in the past, and members may need to be prepared for this reality. As previously issued in a statement before, the Sale Committee hopes we can proceed forward with a normal sale this year, but understands these are difficult decisions for families to make and that we encourage every family to make the best financial decisions for their situation. As a Sale Committee, we are fortunate to be well represented by fantastic volunteers from the North end of the county who help contribute to decisions and the operation of the sale. We value the 4-H and FFA members who bring quality animals to our sale each year and recognize the many businesses and individuals from North Lake that financially contribute each year to youth in Lake County. As a committee we are extremely upset by these statements in the article and wish all to know that this does not reflect the views of the Lake County 4-H and FFA Sale Committee.

Sincerely,

Lake County 4-H and FFA Sale Committee

boundary is located within Lake County, approximately eight miles northwest of Christmas Valley. A map of the proposed facility and site boundary is included at the end of this notice. Specific locational maps can be found in ASC Exhibit C at: <https://www.oregon.gov/energy/facilities-safety/facilities/Pages/OSC.aspx> and on ODOE's online mapping tool: <https://tinyurl.com/EFSCmap>.

Overview: On October 17, 2019, ODOE, staff to EFSC, received a complete ASC from the applicant. The complete ASC seeks approval from EFSC to construct and operate the Obsidian Solar Center (proposed facility). Under Oregon law, the applicant must obtain approval of the ASC and be granted a site certificate from EFSC in order to construct and operate the proposed facility. On March 12, 2020, ODOE posted additional information to the ASC on the project webpage listed above. On the same date, ODOE issued a DPO on the ASC. The DPO recommends EFSC approve the ASC and issue a site certificate, subject to recommended conditions of approval. The purpose of this notice is to inform the public of an in-person and webinar/teleconference public hearing on the DPO on Tuesday, June 23, 2020 and of an opportunity to provide comments on the DPO, extending from March 12, 2020 through June 23, 2020 at the close of the DPO hearing. Please note that this is the third public notice of the availability of the DPO and any comments already submitted to ODOE after the first March 12, 2020 public notice do not need to be resubmitted.

Public Hearing and Comment Period: A public hearing on the DPO, conducted by the EFSC-appointed third-party OAH hearings officer will be held in-person and remotely via teleconference/webinar on Tuesday, June 23, 2020. The hearing will begin at 5:30 p.m. and will include a brief overview by ODOE staff on the siting process and proposed facility, followed by the hearing officer, who will provide an overview of the hearing format. Oral and written comments may be provided at the in-person/teleconference/webinar public hearing described above.

Written comments **must be received by the comment deadline of Tuesday, June 23, 2020 at the close of the public hearing**, submitted by mail, email hand-delivery or fax to the hearing officer, in care of:

Kellen Tardaewether, Senior Siting Analyst
Oregon Department of Energy
550 Capital Street NE
Salem, OR 97301
Phone: (503) 373-0214
Fax: 503-373-7806
Email: Kellen.Tardaewether@oregon.gov

Comments on the DPO will not be accepted after June 23, 2020, which represents the close of the record on the DPO for the proposed facility.

EFSC Review Process: The site certificate process is a consolidated, comprehensive siting process. The applicant must demonstrate that the proposed facility meets EFSC standards established under Oregon Revised Statute (ORS) 469.501 and set forth in Oregon Administrative Rule (OAR) Chapters 345, Divisions 22 and 24, as well as all other applicable Oregon statutes, rules and standards. ODOE serves as staff to EFSC and conducts the application review process.

The proposed facility is an energy facility subject to EFSC jurisdiction under the definition in ORS 469.300(11)(a)(D)(iii). As such, the proposed facility must receive approval from EFSC of a site certificate prior to construction.

To be eligible to participate in a contested case proceeding, a person must raise an issue either in person at the public hearing or in a written comment submitted on or before June 23, 2020 and received by ODOE before the record closes on June 23, 2020 (close of the public hearing). Even if a person commented before March 12, 2020, that person must raise an issue(s), either via oral comment at the teleconference/webinar public hearing or in writing during the comment period to be eligible to participate in the contested case. For consideration in the contested case, issues raised must be within the EFSC's jurisdiction and must be raised with sufficient specificity so that EFSC, ODOE, and the applicant understand the issue being raised and are afforded an opportunity to respond to the issue. To raise an issue with sufficient specificity, a person must present facts that support the person's position on the issue. See OAR 345-015-0016(3).

Please note: All comments submitted to ODOE may be disclosed to the public, subject to Oregon Public

PUBLIC NOTICE

Records Laws (ORS Chapter 192). Public comments may be available on the ODOE webpage for the Obsidian Solar Center as an attachment to the Proposed Order, to be issued at a later date.

Comment submission does not register your contact information to receive future notices. If you would like to receive notices for this proposed facility or any other EFSC facility, and have not already done so, please follow the information in this notice to subscribe to the ClickDimensions email notification list.

EFSC Decision Process: Following the public hearing and after the close of the record of the hearing on the DPO, EFSC will review the DPO and comments received on the record of the DPO public hearing during a scheduled EFSC meeting. Following its review, either at that meeting or at a subsequent meeting, EFSC will direct staff to prepare and issue a proposed order. Along with the proposed order, ODOE will issue a notice of contested case. Following the contested case proceeding, EFSC will issue a final order on the ASC. The Siting Division Public Guide contains information on the EFSC process, including the contested case process.

To view this information on ODOE's website, please use the following link:

550 Capitol Street NE
Salem, OR 97301

Accessibility information: ODOE is committed to accommodating people with disabilities. For review of the DPO or attendance at the public hearing, if you require any special physical or language accommodations, or need information in an alternate format, please contact Michiko Mata at 503-378-3895, toll-free in Oregon at 800-221-8035, or email to michiko.mata@oregon.gov. For any other accommodation needed to attend the public hearing, please contact ODOE as soon as possible so we may provide the accommodation.

Farmers Market Needs Vendors!!

Growing seedlings?
Plant a few extra

Make soaps and lotions?

Got some baby farm animals??

Have honey bees and have extra honey???

Just a few ideas on what you can sell at the farmers market!!

If you have any questions please contact me!!

Items you sell must be for a farmers market!!

Farmers market starts in May, the second and fourth Saturday of each month through Sept.
Hours are 9am - 1pm .

Location: Christmas Valley Rodeo Grounds.

You don't have to vendor at every market!! You can pick one or you can pick them all! No obligation!! You need to bring your own set up though! Just give me a heads up so I can make sure we space everyone out.

Figure 1: Proposed Facility Location

AN UNPLEASANT BUT NECESSARY CONVERSATION

Your North Lake Health District (NLHD) is so proud of the facility we maintain on Bay Road. The building is beautiful, the location is ideal and over the years it's housed a variety of providers to meet the needs of our ever-growing community. In addition, the clinic offers public use of the conference room for health-related meetings and public use of the restrooms.

We're happy these services are available to our community and invest considerable time and money to ensure the building is sound and well maintained. Recently, the NLHD has spent several thousand dollars in plumbing services due to clogged plumbing, and you can help reduce these costs. Changes in regulations for water usage and available types of bathroom fixtures contribute, but the #1 cause for our need to call a plumber are avoidable, and you can help!

We need your help to better manage plumbing lines in the building. Many products that claim to be "flushable" aren't when using current day fixtures and water usage restrictions. We ask that only seat covers and toilet paper are flushed down the toilet along with your "business". EVERYTHING else needs to be disposed of in the trash cans. This includes paper towels, personal wipes, diapers, panty liners, sanitary napkins, tampons and incontinent pads. These items must be disposed of in the trash can. Please keep in mind we're a medical facility and understand sometimes bodily functions can be embarrassing, but we need your help to dispose of products responsibly. If you feel you've disposed of product that would be best if we empty the trash immediately, just notify the clinic receptionist and we'll take care of it right away. If you have need to use excessive toilet paper, please flush a couple times to ensure sufficient water is used to clear the lines.

Thanks in advance for your help in keeping these public services available.

EXOTIC PLANTS:

Chaulmoogra - *Hydnocarpus Wightiana* Blume
Flacourtia Family - flacourtiaceae

Leprosy: The word has struck terror in human hearts since the beginnings of recorded history. As carriers of an incurable disease, thought to be highly communicable, lepers have been outcasts. Small wonder, for the ravages of leprosy were horrifying - an advance rases, faces would be eaten away, bodies covered with rotting sores, fingers and toes falling off. At various periods of European history victims were killed, or requited to wear bells so people could avoid them or isolated in nightmarish leper colonies.

And yet a treatment has existed for thousands of years. Ancient Hindu and Chinese documents described an oil that was effective against the disease, and reports of the treatment occasionally reached Western ears. Not until about the middle of the last century, however, was the miraculous chaulmoogra oil taken seriously by Western physicians; it was investigated and tested and soon it was being imported from China. But the supply was severely limited, and its source remained a mystery.

In 1920, an adventurous botanist named Joseph Rock arrived in Singapore to begin his search for the tree that was said to be the source of the oil. He knew the chaulmoogra tree existed, but he did not know what it looked like, where it grew, or how it yielded the the valuable oil. To find out, he wandered Far Eastern hinter lands, climbing mountains and exploring jungle low land. Finally he found seeds for sale in native markets in India. They came from a tall, leathery leaved tree with white flowers (in fact, three species supplied the sees, the most important of which was later called *J. wightiana*) Rock collected a large supply of seeds and sent them to Hawaii, where a plantation was established to supply the world with chaulmoogra oil.

Rock himself, having become enthralled by the Orient, returned to the Far East and spent 30 years in the mountain region near the Chinese Tibetan border. He sent thousands of unknown plants and birds to Western museums and botanical gardens and eventually he translated more than 8,000 books from Na-Khi language of the region to English.

The Chaulmoogra Tree reaches a height of 50 to 60 feet. After eight years it produces round, hairy fruits containing the valuable seeds which contain strongly antibacterial chemicals. two of which, hydrokinetic and chauloogrie acids, are responsible for destroying the bacterium, *mycobacterium leprae*, that sauses leprosy.

Policy: Animals on Park and Rec Properties

Christmas Valley Park and Rec

Christmas Valley Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on Christmas Valley Park and Recreation property (including the Rodeo Grounds, Golf Course, Play Area, etc.) all domestic animals, whether pets livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler.

Horses are not allowed on the Golf Course at any time- EVER!

Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property. Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

And PLEASE, keep off the Golf Course while the ground is frozen... Especially the greens.
 Thank You!
