Help Fill a Local Need: Volunteer Your Time

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.

Fun Facts to Visit In Fort Rock

The exact origin of the mile-wide crater in the Fort Rock Basin of Lake County, central Oregon is a mystery. Thought to be of volcanic origin, rather than the result of an ancient meteor impact, it is somewhere between 13,000 and 100,000 years old.

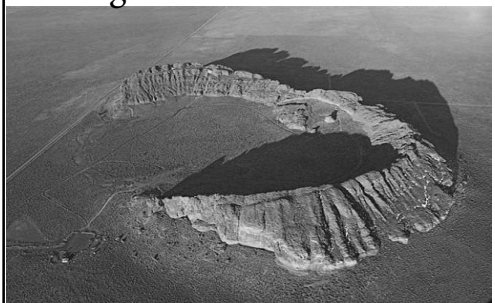

The ancient blast left a raised rim that reaches heights of 110-210 feet above the ground level, and an interior basin nearly 500 feet below it.

It is thought that the crater is a maar, a depression that occurs after water reacts explosively with volcanic magma, often forming crater lakes seen elsewhere, particularly in Alaska. In this case, the ancient lake bed dried up, leaving only the hole.

The area around Fort Rock Basin has a legacy of volcanic activity, leaving caches of obsidian and cinder cones along with old lava flows and caves.

The desolate landscape is so alien that astronauts were brought to the crater for training in the 1960s.

The Hole in the Ground is near another larger and more eroded maar crater known as the Big Hole.

R i c h a r d W i l l i a m W a r m i n g t o n

Born on August 21st, 1954 in McMinnville, OR to George and Barbara Warmington. Rick was raised on his family's dairy farm where they milked Holstein and Jersey cows. He graduated from McMinnville High School in 1973 before he went onto serve as an Oregon FFA State Officer.

In 1975, he married his high school sweetheart and life-long love, Sue Reynoldson. In 1976, Rick and Sue moved to Fort Rock, OR where they began their family farm. Rick's funny, passionate and spit-fire personality helped him quickly become part of the community and a friend to everyone.

With the same spirit, he built his family of one son, Danny, and two daughters, Anna and Grace. Later in life, he welcomed six wonderful grandkids. Rick and his grandkids shared an inherited love for life, and in that way, a piece of him will live on. Rick truly carried the heart of a farmer throughout his life and is remembered for his beautiful alfalfa farm, creative mechanical solutions, and love for off-season vacations with his loving wife. It is difficult to forget a man like Rick Warmington, and those who were lucky enough to know him, never will. Rick is survived by his wife Sue Warmington, son Danny Warmington, daughter and son-in-law Anna and Jared Kerr, daughter and son-in-law Grace and Matt Haskins, grandchildren Tanner Kerr, Tate Haskins, Devin Kerr, Ember Haskins, Jack Kerr, step granddaughter Kira Thomas, sister and brother-in-law Elaine and Wally Rutledge, and brother and sister-in-law Jeff and Susan Warmington.

Celebration of Life was held on Sunday, June 2, 2019 at 1:00 P.M. at the Fort Rock Cemetery. Memorial contributions can be made to North Lake School C/O North Lake FFA, 54566 Fort Rock Road, Silverlake, OR 97638. Desert Rose Funeral Chapel has charge of the arrangements.

Beauty In the Desert

This is a little break from my regular articles to show you some of our High Desert Beauty. These are our Desert Primroses. They are growing massively on our road and are quite beautiful as well as smell wonderful. There are also the pink flowers in mass. I have tried to transplant the primroses and gather seeds to no avail! They are not movable, and legends says they only grow where Indians were. I hope you enjoy these pictures of them. They are more abundant this year than I have seen them in the 28 years I have lived here.

A Sincere Thank You

This month the North Lake Health District, (NLHD), would like to honor a woman who blew into town on a whim the notorious winter of 1992, and what a fortunate breeze it was that brought Shawn Lavallee into our midst. Shawn rolled into town in '51 Studebaker bus looking for a place to settle down after traveling the states. She met a man with property for sale 11 miles out of town, purchased it, and planted the roots of a life in Christmas Valley that would blossom in wide and wonderous ways.

The property was perfect! A home, outbuildings and trees; even a garden area. But the storms of that winter were severe and the property needed the work of a plumber which lead to her introduction to Steve Lavallee, who would later become her husband.

Shawn's contributions to the residents of Christmas Valley began almost immediately and she's never slowed down. In her 27 years of residency, Shawn's list of community activism and participation is impressive. During the 90's she served as the President & Vice President of Friends of the Library, served as a Booster member, was the Vice President of the Women's and Children's Resources and started a walking club. In 2004 she began volunteering at the North Lake Clinic as the "Girl Friday" one day a week performing a wide variety of duties to include blood/lab draws, scheduling and reception work. Soon her work evolved into a full-time position and she'd hoped to attend nursing school and become Pat Widenoja's assistant. Finding no openings available for classes Shawn instead opted to go to massage school; completing the one-year program from which she made the Dean's List. By 2007 Shawn was back in full swing and joined the NLHD's team of providers, running her massage business, and for a brief period, returning one day a week at the Health Clinic working much the same duties she'd previously performed.

Since her arrival, Shawn has remained an advocate for community health and wellness in mind, body and spirit. She's supported the work of other providers assisting with physical therapy, acupuncture, naturopathic medicine, teaching yoga classes, continuing with massage and is still supporting the Dolly Parton Imagination Library; a program providing monthly books, free of charge, to families of children 0-5 years of age and has graciously offered her services.

Who knows what Shawn's next community adventure will be, but it's a sure bet the community will benefit from her dedication to the health and wellbeing of locals.

On behalf of the entire community we offer our thanks and recognition for Shawn's many years supporting wellness in the community. For all the lives you've touched and those you've yet to enhance, we thank you.

GRILLED EGG

Ingredient:

Baked Beans, Boston Style

Ingredient List:

2 cups Dry Navy beans
½ cup salt pork, chopped
½ Tbsp sea salt
1 heaping Tbsp molasses
1 ½ Tbsp maple syrup
¼ tsp ground mustard
½ cup boiling water plus enough to cover the beans, about 2 cups.

Directions:

The night before you plan to cook your beans, take the two cups of beans and put them in a saucepan or pot - remove any broken or shriveled ones. Pour enough water into the pan to cover the beans and let them sit overnight.

In the morning, strain the beans and discard the water. Give the beans a quick rinse in a strainer, then put them back in the saucepan with fresh water. Let the beans simmer in the water for about 40 minutes. Then strain the beans again and put them in a pot you plan to bake them in. Put the pork, salt, molasses, syrup, and mustard in with the beans and mix them all together. Pour ½ cup of boiling water over the beans and then add enough cool water to make sure the beans are covered - about 2 more cups. Then cover the pot and put it in the oven to bake. Bake at 325° for the first 2 hours then lower the oven temperature to 280° for 3+ hours.

*Check the beans every once in a while to make sure they do not dry out, add a bit more water if necessary. Take the cover off the pot for the last hour of cooking.

Corn Muffins

Ingredient List:

1 cup sifted all-purpose flour
3 Tbsp sugar
1 ½ tsp baking powder
½ tsp baking soda
½ tsp salt
1 cup yellow or white corn meal
1 egg, well beaten
¾ cup buttermilk
¼ cup vegetable shortening, melted and cooled

Directions:

Sift flour, sugar, baking powder, baking soda, and salt into a large bowl; stir in corn meal. Mix eggs, buttermilk, and shortening in a 1 cup measure, add all at once to the flour mixture. Stir lightly with a fork until the liquid is absorbed. The batter will be lumpy. Spoon into greased medium sized muffin tin - filling ¾ full. Bake at 400° for 20 minutes or until golden brown. Serve Hot.
