LaPine Shopping Shuttles

5/6, 5/13, 5/20, and 5/27

For those with urgent food, pharmacy shopping needs. Reserve your spot today, since we are limited to 3 riders (on a 14-passenger bus) in order to maintain 6-foot safe distancing practices. Also, we can accommodate local shopping needs within and between North Lake communities, for anyone who does not have other safe transportation.

We continue disinfecting vehicles between riders. Due to the proximity to Bend, drivers are wearing masks and asking riders to do so as well, per CDC's recommendations. No one with a fever, body aches, or new dry cough (rider or driver) will be permitted onboard.

Donations are accepted, and a \$10 donation for the LaPine shuttle is suggested and welcome, but there is no required fee to ride. We just want to make sure everyone who has medical or food needs has the ability to meet those needs.

Please call our Transportation
Coordinator @ 541-947-4966 to
schedule.

Help Fill a Local Need: Volunteer Your Time

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.

The High Desert Stitch Rippers, a quilt and craft group in Christmas Valley, will be holding a raffle to benefit the 4H North Lake Sewing group. The quilt will be on display at the Lakeside Resturant.

Tickets are \$1.00 each or six for \$5.00. Sales will be ongoing through the 4th of July with the drawing to be held at 4:00 P.M that day at Hanks House.

You need not be present to win. Tickets are available at the Lakeside or from any of the High Desert Stitch Rippers.

The quilt was made by the High Desert Stitch Rippers in honor of Karen Smith, with the fabric being donated by Jared Smith from Karen's fabric collection. Karen, a very talented quilter, donated a lot of time and energy to the 4H group.

The quilt is a log cabin pattern and measures 94"x 94" and was quilted by Vickie Gibbs.

If you have any questions please call Tara Grassman, 541-410-6060 or Sandie Maerz 541-815-5683.

PUBLIC NOTICE

Bond Update:

We have been months in the planning, but we have finally broken ground!

Since the bond passed in May, 2019 we have been busy behind the scenes. We worked for several months with bond attorneys and financial advisors to prepare for the sale of the bonds. That sale took place in August. We have since hired a Project Construction Manager (Mike Tiller from Bend), an architect (Scott Steele Architects from Bend) and a contractor (Griffin Construction from Prineville) through a comprehensive bidding and interview process.

The last six months have included in depth evaluation of the design, engineering, systems analysis and the tying in of a new addition to the existing building. We went through a sub-contractors bidding process and an in depth permitting process with Lake County. Various code changes over the years required additional analysis of how to use existing systems with new construction.

On April 13th Griffin Construction began moving equipment in and fencing off the construction work area. On Monday, April 20, we broke ground. Our first step is removing the playground asphalt and cutting into the hill side. Excavation will take some time before footing and foundation work begins. We had intended to remove and replace the old annex building. However, the cost of new modular buildings has exploded and is now cost prohibitive. We will tear that building down to the studs and rebuild from the foundation up! That building should be ready to occupy when students return in September!

The bus maintenance facility will begin possibly in the fall. The entire project (including the new classrooms and gym) should be completed prior to March, 2021. We still believe that this addition will meet the needs of our students and community for the next 20 years.

Community. Leadership. Experience.

PERSONAL:

Lake County native, grew up on & still involved in family ranch; understands ranchers & farmers daily needs & difficulties + issues involved including irrigation, operating expenses, quality of land; bachelor's degree, agriculture, Oregon State.

32 years federal work experience
16 years Incident Management Team
5 years District #7 school board, **3 years** as chair
7 years Fremont Highlanders Ski Club President
Excellent success, by the way 😎

PROFESSIONAL:

Versed in how to do business with state & federal agencies; promotes managing timber so forests are more resilient to large wildfire & will be there for commercial & recreational use now & for future generations.

OBITUARY

Troy Cheek 1934 - 2020

Troy Etsel Cheek Sr. passed away on April 4, 2020. Troy was born on June 25, 1934 to Orville and Mary (Tuttle) Cheek in Bush, Kentucky.

Troy is survived by his wife, Sandra Cheek; his children Tammy Nichols-daughter, Mindy Cross, step-daughter, W. Lloyd Mace, step-son and Dennis Madden, step-son; Siblings Orville Cheek Jr., William Cheek & Clara Chielke.

He is preceded in death by his parents Orville & Mary Cheek, son Troy Cheek Jr. and brother Roy Cheek.

With so much talk right now about our vulnerable populations, here's a little encouraging news:

74% of Lake County residents say they understand that addiction is not a failure of willpower, it's a disease.

We're being reminded right now how the health of one affects us all.
In a community that cares, like ours, that's *golden*.

If you're struggling with long term pain, we have tools that can help.

LAKEVIEW, Ore.—April 29, 2020—The Lake County Library District is working on a phased reopening plan for the libraries to tie in with the county and state-wide plans. The draft plan proposes five different library service levels in response to different internal and external criteria, such as whether there is COVID-19 spreading in the area and whether the library has the needed cleaning supplies and equipment. The library plans to use the Lake County and State reopening plans to further inform the library plan when those documents are finalized.

Currently, the biggest barrier to reopening that the library is facing is purchasing disinfecting products and gloves for cleaning frequently touched surfaces. “We were very lucky to have supplies on hand that have allowed us to continue offering Library Take Out service,” said Library Director Amy Hutchinson. “But those supplies would quickly be exhausted if we invited the public into our buildings again and needed to regularly disinfect public computers, tables, and chairs,” said Hutchinson. Library staff will continue working to secure the needed supplies, but disinfecting supply shortages are widespread.

Hutchinson plans to present the draft plan to the library board at the May meeting, which will be scheduled in conjunction with the Budget Committee meeting. For updated information, visit the Lake County Library District website at www.lakecountylibrary.org.

A public meeting of the Budget Committee of the Christmas Valley Park & Recreation District, Lake County, State of Oregon, to discuss the budget for the fiscal year July 1, 2020 to June 30, 2021 will be held at the District Office.

The budget committee meeting will take place on May 12, 2020 at 9:00 AM.

The purpose of the meeting is to receive the budget.

A copy of the budget document may be inspected or obtained on or after April 15 at the district office.

A public meeting of the Budget Committee of the Christmas Valley Rural Fire Protection District, Lake County, State of Oregon, to discuss the budget for the fiscal year July 1, 2020 to June 30, 2021 will be held at the Fire Hall.

The budget committee meeting will take place on May 18, 2020 at 7:00 PM.

Obsidian Solar Center

Public Hearing on the Draft Proposed Order and Request for Comments

**Summary:**

Notice Date: April 29, 2020

Draft Proposed Order Issued Date: March 12, 2020

Proposal: Application for Site Certificate (ASC) from Obsidian Solar Center LLC (a wholly owned subsidiary of Obsidian Renewables, LLC; applicant) for a proposed approximately 400 megawatt alternating current (MWac) photovoltaic solar energy facility on approximately 3,921 acres of nonarable land (includes a "reasons exception" request to the statewide policy embodied in Goal 3, *Agricultural Lands*).

Proposed Facility Location: North Lake County, approximately eight miles northwest of Christmas Valley and seven miles southeast of Fort Rock.

Draft Proposed Order Review: The draft proposed order (DPO) was issued on March 12, 2020, which opened a public comment period. Written comments may be submitted per the instructions in this notice. An opportunity to submit oral comments on the DPO will be provided and presided over by a third-party hearing officer from the Oregon Office of Administrative Hearings (OAH), appointed by the Energy Facility Siting Council (EFSC). Under Governor Kate Brown's Executive Order 20-16, issued on April 15, 2020, this hearing will be held remotely via teleconference/webinar detailed below to encourage public participation and ensure the safety of staff and the public during the COVID-19 emergency:

Teleconference/Webinar Public Hearing Information:

Date: May 21, 2020

Start Time: 5:30 p.m.

End Time: 7:00 p.m., or later based on public participation

Comment Deadline: May 21, 2020, at the close of the hearing listed above.

Description of Proposed Facility: The proposed facility, including related or supporting facilities, includes approximately 400 MWac of photovoltaic solar energy generation equipment to be located on approximately 3,921 acres of nonarable land.

Equipment includes solar modules, tracking systems, posts, cabling, inverter/transformer units (approx. 160); 34.5 kilovolt (kV) collection system; up to 4 collector substations (1 acre/each); up to two operations and maintenance buildings; perimeter/internal roads (approx. 50 miles) and perimeter fencing (approx. 18 miles); 50 MW of battery (flow) storage equipment; 115 kV transmission line (approx. 2 miles); and, a 115/500 kV step-up substation and point of interconnection.

Location of Proposed Facility: The proposed facility would be located within a site boundary of approximately 3,921 acres. The proposed site boundary is located within Lake County, approximately eight miles northwest of Christmas Valley. A map of the proposed facility and site boundary is included at the end of this notice. Specific locational maps can be found in ASC Exhibit C at: <https://www.oregon.gov/energy/facilities-safety/facilities/Pages/OSC.aspx> and on ODOE's online mapping tool: <https://tinyurl.com/EFSCmap>.

Overview: On October 17, 2019, the Oregon Department of Energy (ODOE), staff to EFSC, received a complete ASC from the applicant. The complete ASC seeks approval from EFSC to construct and operate the Obsidian Solar Center (proposed facility). Under Oregon law, the applicant must obtain approval of the ASC and be granted a site certificate from EFSC in order to construct and

PUBLIC NOTICE

operate the proposed facility. On March 12, 2020, ODOE posted additional information to the ASC on the project webpage listed above. On the same date, ODOE issued a DPO on the ASC. The DPO recommends EFSC approve the ASC and issue a site certificate, subject to recommended conditions of approval. The purpose of this notice is to inform the public of a webinar/teleconference public hearing on the DPO on Thursday, May 21, 2020 and of an opportunity to provide comments on the DPO, extending from March 12, 2020 through May 21, 2020 at the close of the DPO hearing. Please note that this is the second public notice of the availability of the DPO and any comments already submitted to ODOE after the first March 12, 2020 public notice do not need to be resubmitted.

Public Hearing and Comment Period: A public hearing on the DPO, conducted by the EFSC-appointed third-party OAH hearings officer will be held remotely via teleconference/webinar on Thursday, May 21, 2020. The hearing will begin at 5:30 p.m. and will include a brief overview by ODOE staff on the siting process and proposed facility, followed by the hearing officer, who will provide an overview of the hearing format.

Oral comments may be provided at the teleconference/webinar public hearing. Written comments must be submitted by mail, email hand-delivery or fax to the hearing officer, in care of:

Kellen Tardaewether, Senior Siting Analyst
Oregon Department of Energy
550 Capital Street NE
Salem, OR 97301
Phone: (503) 373-0214
Fax: 503-373-7806
Email: Kellen.Tardaewether@oregon.gov

Written comments **must be received by the comment deadline of Thursday, May 21, 2020 at the close of the public hearing.** Comments on the DPO will not be accepted after May 21, 2020, which represents the close of the record of the public comments on the DPO for the proposed facility.

EFSC Review Process: The site certificate process is a consolidated, comprehensive siting process. The applicant must demonstrate that the proposed facility meets EFSC standards established under

Oregon Revised Statute (ORS) 469.501 and set forth in Oregon Administrative Rule (OAR) Chapters 345, Divisions 22 and 24, as well as all other applicable Oregon statutes, rules and standards. ODOE serves as staff to EFSC and conducts the application review process.

The proposed facility is an energy facility subject to EFSC jurisdiction under the definition in ORS 469.300(11)(a)(D)(iii). As such, the proposed facility must receive approval from EFSC of a site certificate prior to construction.

To be eligible to participate in a contested case proceeding, a person must raise an issue either in person at the public hearing or in a written comment submitted on or after March 12, 2020 and received by ODOE before the record closes on May 21, 2020 (close of the public hearing). Even if a person commented before March 12, 2020, that person must raise an issue(s), either via oral comment at the teleconference/webinar public hearing or in writing during the comment period to be eligible to participate in the contested case. For consideration in the contested case, issues raised must be within the EFSC's jurisdiction and must be raised with sufficient specificity so that EFSC, ODOE, and the applicant understand the issue being raised and are afforded an opportunity to respond to the issue. To raise an issue with sufficient specificity, a person must present facts that support the person's position on the issue. See OAR 345-015-0016(3).

Please note:

All comments submitted to ODOE may be disclosed to the public, subject to Oregon Public Records Laws (ORS Chapter 192). Public comments may be available on the ODOE webpage for the Obsidian Solar Center as an attachment to the Proposed Order, to be issued at a later date.

Comment submission does not register your contact information to receive future notices. If you would like to receive notices for this proposed facility or any other EFSC facility, and have not already done so, please follow the information in this notice to subscribe to the ClickDimensions email notification list.

EFSC Decision Process: Following the public hearing and after the close of the record of the hearing on

PUBLIC NOTICE

the DPO, EFSC will review the DPO and comments received on the record of the DPO public hearing during a scheduled EFSC meeting. Following its review, either at that meeting or at a subsequent meeting, EFSC will direct staff to prepare and issue a proposed order. Along with the proposed order, ODOE will issue a notice of contested case. Following the contested case proceeding, EFSC will issue a final order on the ASC. The Siting Division Public Guide contains information on the EFSC process, including the contested case process.

EXOTIC PLANTS

CASTOR OIL PLANT: RICINUS COMMUNIS L.

SPURGE FAMILY: Euphorbiaceae

An African tree that grows in warm areas throughout the world and is now cultivated by American and European gardener as a foliage plant. In this native habitat, the castor oil plant is a tree 30 to 40 feet high, bearing broad, deeply lobed leaves on long stalks. The leaves are purple bronze when young, gray green or dark maroon when mature. The petalless female flowers, grow in clusters above the male flowers, develop into bur like capsules containing three seeds each. When the capsules mature and dry out, they explode, scattering their beans. Shrubby dwarf strains no more than 5 feet high have been developed in cultivation, bearing non explosive capsules.

The Egyptians used castor oil and as an unguent; they also purged their systems three times a month by drinking the oil mixed with beer. The Greeks and Romans taking note, no doubt, that the beans are poisonous used the oil only externally. In the late 18th century, the foul tasting substance regained its ancient role as a laxative.

The beans poisonous substance, ricin, is one of the deadliest toxins known; eating a single castor bean can kill a child. Fortunately extracting the oil without the ricin is fairly simple process. The key is temperature. Heat is used to extract oil from most seeds, but when castor beans are heated, the ricin from the bean is distributed throughout the oil. When the beans are hulled and crushed at temps below 100F, however, they yield a clear or yellowish poison free oil rich in another substance, ricinolein, which irritates the intestines, causing them to expel their contents.

Castor oil has several commercial applications as well. Because it is insoluble in benzene and has a very low freezing point, it is well suited for the lubrication of airplane engines. It is also used in hydraulic brake fluids and in biodegradable laundry detergents, paints and varnishes. Oil meant for these purposes is extracted by heat and is poisonous.

Policy: Animals on Park and Rec Properties

Christmas Valley Park and Rec

Christmas Valley Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on Christmas Valley Park and Recreation property (including the Rodeo Grounds, Golf Course, Play Area, etc.) all domestic animals, whether pets livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler.

Horses are not allowed on the Golf Course at any time- EVER!

Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property. Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

And PLEASE, keep off the Golf Course while the ground is frozen... Especially the greens.
Thank You!

SUICIDE WARNING SIGNS

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Increasing the use of alcohol or drugs.
- Acting anxious, agitated or behaving recklessly.
- Sleeping too little or too much.
- Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- Displaying extreme mood swings.

Suicide Is Preventable. Call the Lifeline at:
1-800-273-TALK (8255).

Mommy & Me Group

Do you have a little one, age birth to three years old, who doesn't meet the requirements for Preschool on Tuesdays? You and your child are invited to join Mrs. Anthony on the first and third Thursdays of each month from 10:00 a.m. - 11:30 a.m. at the North Lake School annex building for a **Mommy and Me Play Group**. "We will be exploring our world around us through music, movement, and sensory play," says Mrs. Anthony. "We will also be doing **Make and Take** activities once a month that you can do with your kiddos at home."

If you have questions, please call Mrs. Anthony at 503-351-7855.
