## DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park & Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park & Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park & Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

*DESERT WHISPERS* welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

## Help Fill a Local Need: Volunteer Your Time

Find something in your community that suits you. This community primarily functions through volunteers. We have many new community members and this community can benefit from a little bit of your time. The many new community members tax the already over stretched, long standing volunteers that oil the works of the under supported needs of the north end communities.

If you have questions of how you can help feel free to contact me, Glenna Wade, via Facebook [glennasonly] and I can help you find an activity that suits you.

## 'Outraged' Oregon residents petition to join Idaho

### By Marina Pitofsky - 02/18/20

A group of Oregon residents is petitioning to have two counties in their state join Idaho, citing Oregon's Democratic leadership.

Move Oregon's Border for a Greater Idaho said Josephine and Douglas counties have accepted ballot initiatives supporting a goal of joining Idaho, the organization said in a press release earlier this month.

The Josephine County ballot initiative specifically "makes it county policy to cooperate with any state effort to move the Oregon/Idaho border, if any such effort develops," the group said.

The Douglas County Initiative amends a current ordinance to "add Idaho officials to the list of officials who may be lobbied by Douglas County commissioners. The suggested ballot question is 'Shall the County Board be authorized to advocate for Idaho legislation, such as making this county a county of Idaho?'" the group noted.

The group must gather 2,429 signatures in Josephine County by Aug. 5 and 2,955 signatures from Douglas County residents to appear on the ballot in the general election in November. Mike McCarter of La Pine, Ore., and Valerie Gottschalk of Selma, Ore., are the "chief petitioners" and leaders of the "movement," the group said.

"Rural counties have become increasingly outraged by laws coming out of the Oregon Legislature that threaten our livelihoods, our industries, our wallet, our gun rights, and our values. We tried voting those legislators out but rural Oregon is outnumbered and our voices are now ignored. This is our last resort," McCarter said in a statement.

Last year, there were two failed efforts to recall Democratic Oregon Gov. Kate Brown, Oregon Public Broadcasting reported. Gottschalk said the "response" to a "Recall Kate" petition made her "expect this movement to grow rapidly."

"People here would prefer Idaho's conservative governance to the progressive/liberal current Oregon governance. Every time I look at the Facebook group Greater Idaho, the group has gotten bigger," she said.

The group is also aiming to add rural California counties to the expanded Idaho border. Idaho would gain coastline in Oregon's Douglas County, Coos County, Curry County and California's Del Norte County under the plan.

Another year, another Art show wrapped up and put away.

## **WHAT'S IN THE WORKS WITH BEHAVIORAL HEALTH SERVICES**

Many of you may have read recent articles in the Lakeview Examiner regarding the North Lake Health District's (NLHD) efforts to secure expanded behavioral health services in the north end of the county. The discussion and supporting actions to expand services have been underway since the summer of 2018. Your NLHD has continued in its efforts to secure services through the Lake District Hospital's Wellness Center.

Locally, the NLHD renovated the old physical therapy room in the clinic to provide office space for private behavioral health counseling and have made the conference room available for group educational activities provided by The Wellness Center. We continue to work with the Lake District Hospital to secure services. Our board president accompanied by a representative of the La Pine Community Health Center recently attended a Lake County commissioner's meeting to address needs and concerns about moving forward.

These services are vital to the entire community, not just those individuals seeking counseling, and the need to expand services are critical to the health and welfare of the communities on the north end of the county. Your NLHD has, and will continue to be, involved in the pursuit of expanded services. As always, we welcome community participation and would, particularly in this endeavor, appreciate community involvement. We encourage you to attend our board meetings to enable you to understand the information you may have read in the Lakeview Examiner and also to ensure you are fully informed of who's involved in the process, the concerns being raised, community needs and steps that are being taken to secure expanded services.

Your NLHD works for YOU!

It's important for us to hear your ideas and concerns directly from you and you are always welcome.

First Monday of every month, 5:00 p.m.

Conference Room @ 87520 Bay Road / entrance behind the C.V.  
county annex buildings

(always check postings @ the Post Office bulletin board for changes  
in meeting dates)

To the community:

We are having a membership drive, to help the Friends of the Library organization grow. We hope there are people who want to help us put books in the library, and I am looking forward to meeting new people who have a true interest and willingness to help. Our next meeting is March 4, 2020 at the library at noon. Join us to help us succeed.

## HELMUT EICHNER, D.C. CHIROPRACTIC PHYSICIAN

I have been a chiropractor for 15 years and I absolutely love what I do helping patients improve and restore their health and lead a life of wellness. Chiropractic is based on the principal that health and wellness comes from within and spinal problems interfere with this balance.

I was born in Caracas, Venezuela. I received a Bachelor degree in Applied Sciences in Aviation at the University of Louisiana at Monroe. I also graduated from Parker College of Chiropractic, Dallas, Texas, in 2001. I practiced in Australia for 11 years before moving back to the United States and settling in Oregon.

I have a practice in Bend, Oregon and practice on Thursdays at the North Lake Health District

I like to play soccer and other sports, but since moving to this area, hiking and skiing have become a new interest of mine. I am also very interested in yoga.

I have three children, Eros, Matteo and Athena and I have been adjusting them since they were born.

## Golfer ~ CV Golf Course Advocate and Long-time Golf Course Caretaker Passes

**Shawn J. Berberick**  
**November 16, 1959 ~ February 2020**

Known as the Golf Course guy by locals, Shawn Berberick arrived in Christmas Valley in 2006 and quickly became interested in the community golf course. At the time the course was in what might be termed disarray. Initially he put hours of volunteer time into improving mowing patterns as a way to make the course more welcoming and playable.

A lifelong golfer who was passionate about the game, Shawn was not only a student of the game's technical aspects but he also had college training in turf management and greens keeping experience at Oregon's highly rated Crosswater course in Sunriver.

As with all passionate people, Shawn tended to hyper focus on the course, what it needed and options that he believed would eventually enhance the playability as well as the aesthetics of the course. Along the way he bumped heads with a good many folks over maintenance aspects but it was always related to the wellbeing of the course.

***Dan Kinion (L) and Shawn discussing the next shot***

Shawn was gearing up for the 2020 golf season when he unexpectedly passed away at his home. Local golfers will miss him and all that he did. Plans are underway to establish a tournament in his memory.

Shawn was preceded in death by his parents and is survived by his daughters Nicole and Danielle, his brother Russ and his sister Stacy. A celebration of life will be announced later this spring.

## Fort Rock Grange Spring Events

The Grange will host their annual Easter Breakfast on Sunday, April 12, 2020, after sunrise services at Fort Rock State Park. The breakfast usually begins about 7:15 AM.

The Fort Rock Grange will be holding its annual Beef Dinner on Saturday, April 25, 2020, at 6:00PM. The dinner will feature BBQ tri-tip, with all the fixings. A pie auction will take place during dinner.

Please watch this paper and local bulletin boards for more information.

## EXOTIC PLANTS

**BETEL PALM:** Areca Catechu L./ Palm Family

Palmae: The betel palm is a slender, handsome, common and delightful sight in Tropical Asia, where it thrives in areas with heavy rainfall. This graceful palm can get as tall as 100 feet, but usually averages 30 to 50 feet, has a narrow trunk never wider than 6 inches in diameter with a relatively small crown. Its frond are erect and feathery divided leaves, 3 - 6 feet long and sometimes variegated in color. The fragrant whitish male flowers are on the upper part of the flowering branches with the large female ones at the base. The egg shaped, orange red fruits contain small seeds, about 2 inches long, commonly called betel nuts.

This nut was made famous in James Michener's Tales of the South Pacific. If you have read this book, or seen the stage or movie musicals that were based on it, you may remember the Native woman Bloody Mary. Michener's depiction of her was: "She had few teeth... and had thin ravines running out from the corners of her mouth... usually filled with betel juice which made her look as if her mouth had been gashed by a razor." This description shows the author knew something about the centuries - old Southeast Asian habit of chewing betel nuts. (The Chinese discovered the practice when they conquered the Malay Archipelago in 150 B.C.)

The Asians wrap a leaf of the local spicy betel pepper vine (Piper Betle) around a small piece of freshly roasted betel nut, add a pinch of powdered lime, and chew the mixture as a stimulant that gives a feeling of general well - being, aids digestion, sweetens breath, and strengthens the gums.

The betel nut contains tannins that give it an astringent effect, and several powerful alkaloids especially one called arecoline that promotes the secretion of saliva and intestinal juices. The nut also turns saliva red, ergo Bloody Mary's appearance and name.

In 1863 betel nut's active alkaloids were identified by Western scientists. Arecoline is an effective taeniocide, agent that destroys tapeworms. It also treats urinary tract problems. Large doses have been found to have severe toxic side effects in humans, but it is still used in veterinary medicine.

Betel palm is widely cultivated in India and Sri Lanka, and betel chewing is still widely used throughout most of Southeast Asia.

## LAKE COUNTY SHERIFF REPORT

February 10th, Deputies responded to the Chevron Station regarding several suspects passing forged twenty dollar bills. One suspect presented a forged twenty dollar bill and asked for two ten dollar bills in exchange. The teller gave change prior to noticing that the twenty was a fake bill. The suspect had left the Chevron but was located a short time later in front of the Coyote Quick Stop sitting in the driver's seat of a vehicle. When questioned about the fake bill the suspect stated she did not know the bill was fake. Deputies were informed by another Deputy that the suspect recently attempted to pass a fake twenty at the CFN Station. Upon searching the suspect more fake bills were located to include a fake 100 dollar bill, a fake 20 dollar bill and a fake 5 dollar bill. The suspect was subsequently arrested for Forgery I, PCS-meth and PCS schedule II. The investigation has been forwarded to the DA's Office for charging.

February 10th, Deputies, probation and parole and OSP responded to the 1100 block of South E Street attempting to make contact with a female who had multiple felony warrants for her arrest. Upon entering the residence the female suspect and a male suspect who is currently on probation were found in the house. The female was arrested for the warrants and possession of methamphetamine. The male was arrested for violating his probation. Both suspects were transported to the Lake County Correction's Facility and booked. The investigation has been forwarded to the DA's Office for charging.

February 16th, Deputies conducted a traffic stop at South G and 4th Street. The driver stated that he had just recovered a firearm from an individual who had been violated on a probation violation. Deputies escorted the driver to his residence and consequently recovered a .38 cal revolver. The firearm was seized and placed in the Sheriff's Office property room as evidence. The investigation has been forwarded to the DA's Office for charging on the probation violation.

February 17th, Deputies responded to the Dollar General in regards to a known male with a felony warrant. Deputies observed the suspect driving out of the parking lot and conducted a traffic stop on North H near 3rd Street. A state-wide felony warrant was confirmed at which time the suspect was arrested. During a search of the vehicle, a blue glass pipe was located which field tested presumptive positive for methamphetamine. The suspect was transported to the Lake County Correction's Facility and booked on the warrants and PCS-Meth.

February 18th, Deputies responded to the AD Hay School regarding threats to a teacher. The investigation revealed that a student was playing with a toy gun and was told to put the toy away or it would be confiscated. The student put the toy away however later told the teacher if she would have confiscated the toy the student would have had his big brother go to her house at night and snap her neck. The student was suspended for two days and his parents were notified. The incident has been forwarded to the juvenile department for follow-up.

February 19th, Deputies responded to a two car crash occurring at the check point at the Depcom Construction Site off Webster Road in Fort Rock. The investigation led to the issuance of two citations for driving a motor vehicle uninsured and fail to register a vehicle.

February 20th, Deputies responded to North Lake High School regarding a harassment complaint. The investigation revealed that a male student sent an obscene picture to a group of 8th graders. The principal was notified and contacted law enforcement. The parents of all involved have been contacted and informed of the incident. The investigation has been forwarded to the juvenile department for follow-up.

## Policy: Animals on Park and Rec Properties

Christmas Valley Park and Rec

Christmas Valley Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on Christmas Valley Park and Recreation property (including the Rodeo Grounds, Golf Course, Play Area, etc.) all domestic animals, whether pets livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler.

***Horses are not allowed on the Golf Course at any time- EVER!***

Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property. Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

And PLEASE, keep off the Golf Course while the ground is frozen... Especially the greens.  
Thank You!
